Hakkımızda

KOREKS HİDROLİK, which was established in Konya in 2010 with a new entrepreneurial spirit and enthusiasm, has been making progress with its young, dynamic staff and innovative structure since its establishment and has been producing the best and the highest quality for our customers, our valued friends. Koreks Hydraulic & Pneumatic always aims to offer the best quality products to its customers under the most favorable conditions. In this way, our company serves with special productions as well as the production of mobile crane cylinders, platform cylinders, industrial cylinders, agricultural cylinders, hydraulic power units, hydraulic couplings.

Adopting customer satisfaction as a principle, our company has adopted quality management and registered its quality
