About Us

Since 2002, we have been providing import and export services to 45 countries in many fields. With its wide product range and service options, we are moving a little further every day on this path we set out to establish a correct and reliable connection between the manufacturer and the buyer. We buy plastic, household appliances, kitchen utensils, garden furniture, glass, textile, toys, food, etc. from the most competitive and high-quality manufacturers and bring them together with our customers
