Foundation Year	Employee Count	Open Area m2
1950	5-10	800

About Us

Our sweet story began in 1950 with our grandfather Menderes Efendienders house. Although the first customers were neighbors, they had a reputation in Anatolia in a short period of time. His favorite flavors were never found in delights. Menderes Efendi gave the recipe of his unique delight to his son Ömer, his grandchildren Ali and Menderes, and provided this taste to this day.

Company Officials
