### Hakkımızda

Mercan Aluminum operates in Konya Vatan Industrial Zone and produces "Aluminum Railing Accessories". Our company, with its experienced employees, adopts the total quality management system and produces in accordance with international quality standards. It offers quality products to the market by closely following the developing technology. It also emphasizes the importance of after-sales support by providing fast and economical solutions to customer demands. In order to address the needs of the market, it follows the world market and adopts continuous development and innovation as a company policy. It aims to be one of the leading companies in the sector with quality raw materials without compromising on quality at every stage of production.
