## About Us

Adding colour to quality since 1997, METEOR BOYA started its production life in a 5 thousand m2 facility located in Konya's 2nd Organized Industrial Zone. Aiming to increase its production capacity in line with the objective of satisfying the increasing demand, METEOR BOYA increased its production capacity to 50 thousand tons / year and increased its competitive power in the sector after moving to its state-of-the-art, automation-based 20 thousand m2 modern facility in the 4th Organized Industrial Zone in 2015. It has become the innovative face and pioneer of the sector by demonstrating the importance it attaches to quality, environment, occupational safety and customer satisfaction with its TS EN ISO 9001: 2015, TS EN ISO 14001: 2015, TS ISO 45001: 2018 and TS ISO 10002: 2018 quality certificates. With its experience of nearly a
