### Hakkımızda

MEVATAR, which has been growing by producing added value with its products, services and investments for 50 years, has managed to strengthen its entrepreneurial adventure, which started with wholesale production, with retailing and e-commerce in order to increase efficiency and quality in the country's agriculture, and has taken this adventure to the next level with its branches. We represent our country in the international arena within a global structure that extends to different geographies of the world. We managed to bring our brand value to the top with precision. In this adventure we set out with our principle of solution and trust, taking into account world standards; By not losing track of authority, we have consistently provided the best brand ownership to countless customers. We always raise the bar in economic
