About Us

Market Istanbul is Turkey's leading global manufacturer, wholesaler and supplier company of European truck, bus and trailer spare parts for the independent automotive aftermarket. We have spare parts for Mercedes, MAN, Volvo, Scania, DAF, Renault, Iveco, Neoplan, BPW, SAF, Fruehauf, Jost and ROR. We offers ''one stop shop'' service with our wide range of products. We have more than 20.000 different OE quality spare parts and we are constantly growing product range. Market Istanbul keeps on supporting the '' Made in Turkey '' products with exports to 40 different countries and growing with new regions. In addition to our spare parts business, Market Istanbul is the manufacturer of Industrial Parts Washing Machines in Konya, Turkey. The parts washing machines are especially suited for metal cleaning, metal finishing and metal
