Hakkımızda

Founded in 2007 in Konya Industry, Marif Kalkan Demir San. Ve Tic.Ltd.Şti. and Kalkan laser companies as the e ndynamic arm of MKL Asansör Oto.İnş.Nak.San. ve Tic.Ltd.Şti. produces, supplies and exports elevator materials. Elevator has taken an indispensable place for the transportation of people and goods in the countries of the world, which are globalized and developed with completely high buildings. For the safety of life and property, it is of great importance that the elevator and cabin production is made in accordance with high quality standards by using advanced technology. MKL Elevator follows all the developments in the sector by using the latest technologies of our age. It prioritizes customer satisfaction with its reliability, pre-sales and after-sales services, which are fixed by its business partners and references. Unlike many elevator
