Hakkımızda

Modeliř Ayakkabı was founded in 1989. Until 1997, he worked in a workshop style, with a capacity of 500 pairs of shoes per week. In 1997, with a new understanding, it became a corporation by establishing its machine park and gained legal personality. In 1999, it moved to its new factory building and gained a wider production area. Currently; It continues production in a 3000 square meter closed area, with a production team of 40 people, with a daily capacity of 1000 pairs.
