About Us

Established in 1988 MPG Machinery Production Group Inc. today is a leading manufacturer of "Truck Mounted Hydraulic Knuckle Boom Cranes" and "Tree Transplanters" under the brand name "MPG" in Konya / Turkey. MPG Machinery Inc. established as the family-owned enterprise company and merged to Bera Holding in 1994. MPG Inc. employs 140 people and Bera Group employes 6000 people worlwide. We increase our production capacity every year with the power of our known and admitted trade mark both in the country and abroad. MPG Inc. which reflects required quality and technology of our age to its products, is distinguished in the sector with its innovated products due to its R&D research and development activities. Our R&D works continue to increase our product range and to modify our existing products. Our
