Hakkımızda

ÖZMEN DAMPER was established in 1986 by Musa Belgemen as a small workshop in Konya. Over the years, ÖZMEN DAMPER continues to supply semi-trailer and trailer products to different sectors at home and abroad by constantly improving itself and following the innovations in the sector. Our company produces with vehicle type approval certificates that are internationally valid all over the world. ÖZMEN DAMPER has registered the quality of its production, sales, marketing and after-sales services processes with ISO 9001-2015 certificates.
