About Us

Since 1973, he still maintains his work ethic at the current addresses of lines and data with a sense of fashion. Babucci, which has taken its years before, since 1973, still maintains its business ethics, its line and quality of fashion at its current addresses. Emphasizing that their understanding of trade is not to sell shoes, but to create comfort, quality and fashion in feminine and stylish shoes, babucci has not compromised on this line for years. Trust, the babucci who have committed self-service and fashion of shoes, and the quality Fashion line never not compromise soon as the successful deeds and winning customers' appreciation also engaged in wholesale and retail sales in many countries of the world has
