Hakkımızda

Nogayt Inc. is a chemical industry research & development local and international trade company established as a Start Up in the Innopark Technology Development Zone, where 7 Turkish universities have a partnership. The most well-known trademark of our company is SITRETT MX, which is developing products in the field of medium and high technology multi-purpose powerful and harmless cleaning liquid products. Those products are included in the Turkish Government Supply Office's Technological Products Catalogue as well.

Our company also produces advanced technology dry mist, fogging, and disinfection devices with their detergents. Moreover, we produce car headlamps polishing-cleaning devices and their solutions. Furthermore, we produce special
