Hakkımızda

NOVA FACADE SYSTEMS has determined the sectors of Curtain Wall, Facade Cladding and Building Unitary Systems as its main fields of activity. It continues its domestic and international activities successfully by advancing towards branding in the curtain wall sector. Bringing world standards to the sector, NOVA FACADE SYSTEMS aimed to provide the best service to project owners, management and residents after delivery by implementing all of its projects quickly, with high quality and without any problems. Our company, which is constantly renewed and developed with its expert technical service staff, dynamic, constantly developing and growing production and assembly teams, and its working and production equipment, successfully concludes the domestic and international projects it has undertaken.
