About Us

He started his career in the refrigeration sector in 1992 and saw the external deficit of the sector. NS. was established with the aim of quality service. Since the day it was founded, our company has developed and produced products in accordance with world standards by taking advantage of technological innovations. However, our company; It is our priority to provide the best service, to respond in a short time and to ensure their satisfaction. Today, Nutti Refrigeration business areas are not only dependent on the country, but also spread internationally with companies established abroad. Based on customer satisfaction, Nutti Refrigeration actively contributes to the country's economy by exporting to Germany, Denmark, Austria, Netherlands, Poland, Switzerland, Sweden, Iraq and the Czech Republic. It continues to increase our
