About Us

Our journey to perfection started in 1982 with AKE Industrial Kitchen Equipment (All Kitchen Equipment). With the energy we gathered by joining Ömer Atiker Holding in 2018, we continue our journey with the Omake brand. While continuing our journey to excellence, which starts with quality, with innovation, we offer hotel, restaurant, cafe (Horeca) and street food (Street Food) industrial kitchen equipment, food display and sales equipment and turnkey industrial kitchen systems to global markets with our wide product range.
