About Us

ÖnTAR, whose foundation was laid in a 150 m² workshop in the 1970s, today serves tens of thousands of farmers in Turkey and 45 countries, with a staff of 150 people, of which 20 are engineers, in its modern production facility of 15,000 m² closed and 5,000 m² open area. Aiming at maximum efficiency and quality while producing its products, ÖNTAR is the leader in market share and service in Turkey. ÖNTAR, which wants to continue this success worldwide, completed its product quality in European standards, production technologies and engineering infrastructure above its sector with quality certificates, and started exporting with ÖNTAR and BUFER brands in 2008 with its institutionalized structure and opened fully to the world market.
