About Us

Founded in 1990 by Mehmet Bağcı, Özbağcı Kundura is a well-established family business that has upheld the principle of high-quality craftsmanship since its inception.
From the very beginning, the company has built a strong reputation in the footwear and leather goods industry through its dedication to artisanal production and attention to detail.
With its durable and elegant handcrafted products, Özbağcı Kundura proudly represents Turkey's traditional craftsmanship under the List of Company Konya platform.
