About Us

OZDOKEN AGRICULTURAL EQUIPMENT firm was founded in 1976, and it is one of the very first firms to step into this sector. We proudly have been continuously innovating with 4 decades of experience and we are still striving our best for the farmers to earn and plant more by utilizing minimum labor. Modern agriculture needs fast and precise work in the farms and it has become possible to do so with the help of developing technologies. In this context, we as OZDOKEN, are working with latest technologies, to make our products abundant and profitable for you. We are one of the top producers in terms of quality and quantity in Turkey, with 60,000 m2 area, 150 personnel, Lazer cutting machines, CNC machines, Robotic welding and lastest high-quality wet painting system. Our equipment includes mechanical seed drills, precision
