About Us

ÖZEN İŞ Tarım Tarım Makinaları Otomotiv Dış Tic. Ltd. Şti. It was established in Konya in 1970 and has produced many different agricultural machinery since the first day it started operating. Our company, which is in constant dialogue with our farmers in order to prepare the most suitable machines for the conditions of our country, also offers technical service and spare parts services to our farmers, together with its technical staff. Our goal is to provide abundance to your harvest with our machines and to minimize your losses. It is our job to eliminate the processes such as installation of the machine, transportation, filling and unloading as much as possible, to solve the time, loss of labor and high costs that work against our farmers, and to turn all factors to your advantage. ÖZEN İŞ AGRICULTURE; For the changing and developing TURKEY
