Hakkımızda

Founded in 1985, ÖZTELEFONCULAR Sac Iron Products Ltd. Sti. Our company, which brings together sheet metal with art, serves in the sheet metal and iron products sector. Among the works we have done are: galvanized sheet, low carbon cold and hot rolled coil sheet, hot cutting (Plasma), cold cutting (Scissor Cutting), and bending Sheet cutting processes. By following the developments in the sector closely, we integrate innovations into our structure, using the latest technology devices, we bring together 2mm hair with precision workmanship and professional quality. We are frequently mentioned by our high stock capacity, strong management team and quality, and we are working non-stop for our goal of being the first company that comes to mind in the sector.
