About Us

We offer the knowledge and experience we have gained in the 20 years we have spent in the sector, to the use of our valued customers, with the machines we produce for the bakery and bakery products sector. We have become one of the best and most reliable companies in the industry, thanks to our valuable Panemor customers, who use 15 different models of machines in our product range. As a company, we offer solutions for small and medium-capacity businesses. Thanks to our long years of experience, our technological infrastructure including the latest innovations, our human resources that do their job well and the machines we produce using the best raw materials; We guarantee our customers a good start, with efficient and long-lasting machines, and a consistently good quality output. We continue to improve and develop our
