About Us

Founded in 1974 by Ömer Polat, our company expanded its operations in 2001 as Polatoğlu Kereste Ltd. Şti.Our company has been producing wood paneling for 40 years. Our primary focus is production and quality. Our primary goal is to produce quality products that exceed our customers' dreams. We are one of the companies that comes to mind when Konya's wood products are mentioned. We owe the trust placed in us to our production and quality. In addition to paneling, we also produce molds used in construction, packing cases, and pallets for export companies. We renewed all of our production machinery in 2003.Polatoğlu Wood Products, in addition to its production facilities, boasts a large showroom with a wide range of products. We are the regional distributor for renowned brands such as Variodor,
