About Us

We aim to be one (1) of the 10 global brands to come out of Turkey. WE DEVELOP AS WE WORK, WE GROW AS WE DEVELOP. We are among the important manufacturers in the world railway industry (Freight - Passenger - High Speed Train). With our automotive and OEM (original equipment) production facility capacity, we produce quality products, Trailer, Axle, Truck parts and "ECE-R55" type certified standards in the Heavy Industry sector.
