About Us

RAM Trailer, which has a deep-rooted production history, started in the 1980s by producing trailer tankers by ASTERİYA İTHALAT İHRACAT İNŞAAT VE NAKLİYAT LİMİTED ŞTİ. The trailers, which provide the durability of the model he developed and the use of kilometers without requiring maintenance, have become a product that is preferred in the domestic market and exported to the Middle East countries at the same time, and thanks to the good relations it has established with its customers, it has reached today.
