About Us

SA-KA Arms Industry was established in 1993 by Huseyin BUYUKBAYRAM in Konya / Beysehir / Uzumlu. Our complex has 4000 m2 closed area on 5000 m2 open area and over 100 experienced gunsmiths are working. CNC technologies, laser, CAD/CAM, SolidWorks systems, and today's most advanced tools and equipment are used to produce high-quality Hunting and Sports Rifles, which are exported to many countries around the world. Producing quality products, delivering these products to our customers on time, providing all kinds of after-sales services, and ensuring a high level of customer satisfaction have been the primary principles of SA-KA Silah. We always consider it our duty to produce quality and offer world-class Hunting and Sports Rifles to our customers.
