About Us

SAĞLIK AGRICULTURAL PRODUCTS AND GIDA SAN.TİC.LTD.ŞTİOur company was established in KONYA in 1998, while continuing to trade since 1950.Our company, which has been operating in the field of pulses in 1998, has changed its field to produce healthy products for healthy consumption since 2010. In a short time, it has become one of the 3 companies that produce OATS in Turkey and continues its success in this field. With the richness of NATURAL flour varieties, we are adding new products to our portfolio every day.
