About Us

Savařan Emaye ve Soba San.Ltd. Sti. stepped in the manufacturing sector in 1972 and firstly started their activities with the solid fuel stove manufacturing. They reached to annual 60000 pieces of solid fuel stove production capacity with their increasing production capacity and employment until 1988. In 1990, the company established the enameling plant so as to meet their developing production volume and also started their activities in the enamel kitchenware sector in the same year. Becoming a company being looked for in the Turkish Enameled Kitchenware sector until 1997, Savařan Emaye realized their first export in the same year and commenced their first foreign country activities. Savařan Emaye has succeeded in being a trademark which is looked for in the foreign countries as well with their increasing export volume and
