## About Us

Founded in 2000, Sefa Asansör Tic. Ltd. Sti. specializes in the production of elevator car and cabin panels. With over 15 years of experience in the sector, the company continues to offer high-quality and cost-effective products under the SEFAX brand from its 900m<sup>2</sup> facility. In the competitive landscape of the business world, simply offering quality products is not enough. A conscious target audience's expectations must also be met. Having added value through its long-standing services in the elevator industry, Sefa Asansör began serving its customers in 2004 under the name Sefa Asansör.
