Hakkımızda

Selçuklu Marble Co. (Selçuklu Mermer A.S.) is a manufacturer, supplier and exporter of marble, travertine, limestone and other natural stone. We produce tiles, slabs, blocks for flooring, walls, facade, interior and exterior design. We built in the fields of engineering, production, quality and international trade culminated in the establishment of Selçuklu Marble. We export about %80 of our total production to over 30 countries in the world and sell rest of the production in the domestic market with 20 years of experience. Especially our Vanilla Ice, Vanilla Spider and Vanilla Mocha are high demand on the stone market in the world. Our facilities in Turkey comprised of 13000 m2 closed and 47000 m2 open area in Beyşehir/Konya. Our facilities are
