Hakkımızda

Sevgili Metal is a manufacturer of auto sheet metal spare parts, producing aftermarket metal body parts of passenger cars and light commercial vehicles. We have aftermarket parts like hoods (bonnets), fenders (wings), bumper reinforcements, tail gates, doors, support panels (radiator supports) etc. for some models of Renault, Peugeot, Citroen, Opel, Dacia, Toyota, Hyundai, Nissan and Volkswagen. Thanks to our dedication to quality metal parts production, we are exporting to different countries from different continents of the world. Following this mission, we are aiming to be one the worlds best quality auto parts manufacturer.
