OTOMOTİV
TRAILER SPARE PARTS

About Us

SMA OTOMOTİV specializes in supplying spare parts for European-type trucks, lorries and trailers. Our Konya-based business offers a wide range of products in many categories such as bodywork, brakes, hydraulics, engines, suspensions and electrical materials. Our high quality products and large stock provide fast and reliable solutions to our customers and serve as a strong business partner in the heavy vehicle sector.
