About Us

Our company started to operate in the Agricultural Tools and Machinery sector in 1974 with agricultural trailer products. The company, which has been the pioneer of quality in the past and in the future, has been producing agricultural products since its establishment.It has provided the best service to the consumer by keeping up with the technology, establishing a dialogue with the farmers and accepting the success as the target. In the century we live in, it is necessary to apply and follow the developing technology in order to reach world standards. For this reason, our company has given the necessary importance to domestic and foreign markets by assimilating originality in production.
