About Us

SULAMA DÜNYASI As Agricultural Irrigation Systems, we have been the Central Anatolia distributor of world-leading companies since the day we were founded. We have been bringing the latest point of technology to our Central Anatolian farmers for 14 years, and we offer the highest quality service to our producers before and after sales. Our aim is to ensure that the farmers of the region have easy access to the latest and most accurate systems, and to contribute to both our farmers and the country's economy by increasing their profitability in agricultural activities. It is always to develop and grow with the principles we adopt such as quality, trust and being innovative. We are proud to be the leading company of our region with the trust of our valuable farmers.
