Hakkımızda

SWT Global is located in Konya, was founded in 2016 with over 25 years experience. SWT Global is a worldwide organization with around 30 agencies in all continents. In this short period, we have completed very successful projects mainly in Europe, Africa and Middle East. Our main principle is matching the seller and buyer in same cooperate business platform. SWT Global philosophy is to come together around 'Win Win Business' and 'Trustworthy comes First and Always'. Therefore, SWT Global supports clients to engage with right suppliers and support manufacturers to meet with right customers. Our partners and colleagues are well trained people who work in foreign trade business and international relation areas long time, to communicate in foreign languages, have experience in living and working in overseas.
