Hakkımızda

Tekelioğlu Bolts Co. Ltd. was established in the year 2000 for producing, marketing and exporting bolts, nuts and special fasteners. Our company produces standard fasteners as well as non - standard fasteners that are important parts of our production required by our customers. Our company located in organized industry zone in konya city middle of Turkey, it has been consistently grew up by investing machinery technical equipments and construction. We had 17000 m² open and 3000 m² covered area when we built the factory. Now we are producing in 10000 m² covered area. Our capacity and product range are continuously increasing every day by modernization and investing machinery. In 2011 year our MVT Bolts Co. Ltd. was established to supply the international needs of bolts and special fasteners. The mission and vision of our
