About Us

Our company was established in KONYA in 2004. While we previously served in an area of 50m², we currently serve our valued customers in the production of PRECISION HOLDER TOOLS in a 2000m² closed and 500m² open area. We serve every region of Konya and TURKEY. It has proven itself in the field of Precision Gripper Tools and has taken its place in the market. We have increased the quality to higher levels with the machinery investments made.
