About Us

In business since 1988, Turan Plastic is a manufacturer of plastic packaging products, for the food and CPG industry. Our BRC certified production facility can produce over 100 Million Pieces Per Year of In Mold Labeling (IML) products for food packaging cups, trays, containers, tubs, storage and consumer products. Turan Plastic brand is sold in nearly 40 countries across the globe.Our ability to grasp consumer insight, our expertise in innovation, design, and production together with our capability to support our customers at every stage of the product development process, and our investments in technology and social capital have helped us become one of the leaders of the sector in Turkey.To provide 'protective packaging' solutions that will help our customers achieve their goals; and to keep progressing, develop our sector and
