About Us

With the entrepreneurial leadership of Hasan Turan, our history began in 1988 in Konya a small Anatolian city. Its corporate structure enriched in the process, with the steps taken in the areas of product innovation, customer focus, and strategic growth. In this direction of enrichment by adopting the most modern management and production standards we are proud that we achieved the globalization success of Turan Plastic brand not only in our country but also in nearly 40 countries across the world.

Our ability to grasp consumer insight, our expertise in innovation, design, and production together with our capability to support our customers at every stage of the product development process, and our investments in technology and social
