About Us

Our company was founded in October 1952, and started contributing to agriculture with the production of Seed Drill and Disc Harrows. Following the continuous improvement of technology and under the guidance of half a century of knowledge and experience, and with the new products, we are proud to be in the service of our farmers and manufacturers. We are proud to manufacture our range which consists of the KAPLAN Series Stone Collecting Machine, Beach Cleaning Machine, , Trenching Machine, Feed Mixing Machine, Solid Fertilizer Spreader Machine and we acquired an indispensable part in the installation of drip irrigation systems. In order to meet the demands of our esteemed customers as soon as possible, we realize our production in our plant located in AKŞEHİR Organized Industrial Zone with an open
