Hakkımızda

Üçkar Süt Food and Agricultural Products IND. and TIC. LTD. STI. The foundations of our company, which has made a name for itself in the sector, were laid by Gürkan Şahin. Gürkan Şahin, who is the first Turkish engineer to bring and establish a second hand complete milk powder plant imported from Europe in Turkey, chose his teammates, being aware of the innovations he brought, and said that we are in the national and international market. Our business located in Konya Horozluhan neighborhood; It is built on a 1000m2 closed and 1000m2 open area and always keeps customer health and satisfaction at the forefront while continuing its staffing studies. ÜÇKAR, with its 27 years of vast experience in the assembly and disassembly of second-hand machines and complete plants imported from Europe, is a leading brand by
