About Us

Our adventure, which started in Konya in 2005, has grown day by day and has reached a considerable place in the field of "Furniture and Decoration". Our basic principle is to always try to please you with the best quality and personalized designs with the slogan of "Customer Satisfaction".With the aim of producing products that add elegance and comfort to the living spaces of its users, Üstün Ataş Furniture has functional details that make your life easier in its Furniture designs. Our products, which are produced using first class materials in their production, adorn living spaces as timeless designs that offer a long service life.Customer satisfaction is one of the most important factors for us. After receiving the demands of our customers, we ensure that the products are sent completely and error-free with order forms and contracts.We
