Hakkımızda

Our company founder Yaşar KILIÇ, graduated from the Ministry of National Defense Army Anatamir Factory Apprenticeship School tire department in 1960 and started his coating career. After the 1970s, he continued his coating life in Germany. Returning to Turkey for good in 1995, Yaşar KILIÇ established Yaşar Kılıç Cold System Rubber Coating company in 1996. Our company's head office operates in the Larende Demirciler site on the Adana Ring Road, and a new coating factory has been put into operation in Ankara Ostim Sanayi site since 2005.
