About Us

Our company, which we established in 1996, entered the sector with the manufacture of tractor compressors and diesel transfer pumps. Over the years, it has expanded its product range and has a voice in the market with more than 500 products. In 2000, it expanded its production area in a 400 m2 workplace in Zafer industry. In 2013, it made its first export to the Middle East and entered the market. In 2015, it started to manufacture balers spare parts. In 2017, it entered the construction equipment spare parts sector. In 2018, Büsan Organized Industrial Zone. It took a new step in its industry by moving to a 1000 m2 factory.
