About Us

Yekpar, founded in 1990, specialised in manufacturing and supplying of some truck, trailer spare parts for aftermarket. In Turkey, we have over one hundred truck replacement spare parts retailers, shops and wholeseller whom we do not only sell affordable parts but also confidence. Besides, our parts have been exported, sold around the world for aftermarket by some exporters or directly by Yekpar company. For we have great experience in manufacturing of some replacement parts of truck and trailers we offer customers superior quality products with compatible prices and services.

In addition, we also commit to provide fast, reliable and cost-effective replacement parts under the Yekpar reputable name.
