## Hakkımızda

Yenmak was founded in 1965 as a small workshop by the Kahvecioğlu family in Konya. In the past years, YENMAK has become one of the largest suppliers worldwide as an independent engine parts supplier at home and abroad by constantly renewing and developing itself. Today, Yenmak manufactures KIT, PISTON, PISTON PIN, RING RING and CYLINDER ENGINE SHIRT; It exports these products to more than 95 countries in 5 continents with the supply of GASKET, VALVE and ENGINE BEARING.
