Hakkımızda

Our company was founded in Konya - the capital for Turkish heavy duty commercial part production -, with ZTC registered trademark to act as an end-to-end solution partner in the field of automotive replacement spare-parts for our esteemed worldwide customers. Our company is well integrated into the automotive sector along with our knowledge of products and markets. Our team provides the necessary expertise working seamlessly in collaboration with the customer to improve the efficiency and profitability of the customers. Since our establishment we have committed to our task and adapt ourselves to the needs of every customer in order to define the most efficient process in the supply chain management. In this regard we have been serving a wide range of requirements of the clients by providing them excellent service and high-
