Sobre nosotros

Dogrular A.S. which first started its Industrial affairs in 1979 and in a short time completed installation and started production at the Konya-Meram establishments. Paying attention to Client Satisfaction and Quality, Dogrular made production in a short time and became a trademark not only in motherland, but also in the world that millions of families use. With Konya Center and Istanbul Branch Directorates, it serves clients in the homeland and out of the country by continuous service before and after the sales. Dogrular, which exports 60% of yearly production to Middle East, Far East Asia, North Africa and Russian Federation has representatives in many countries. Dogrular isn't pleased its position and has an understanding which aims to reach further targets by making big investments. In 2005, Dogrular established the factory
