## Sobre nosotros

Started its operations in a small workshop in 1984 with the brand "Efegil", Efegil Glassware was dealing with glass articles which were processed by decorated glass cutting in its early stage while the decorative glass was new-developing sector in Turkey.

With the catchphrase of "Why not you Ladies have Efegil in your wedding chest?", Efegil had been accepted as a brand by retailers and ultimate consumer by fulfilling the supply deficit existing in that period with engraving glassware articles and glassware sets.
