À propos de nous.

BESCO AUTOMOTIVE MACHINERY INDUSTRY AND CO. LTD. was founded in Konya city which is the heart of Turkey's automotive industry, in 2008. BESCO manufactures Air Disc Brake Caliper Repair Kits (Kit de réparation d'étrier) for heavy duty commercial vehicles with its own registered trade mark CHEEFT. The brake caliper repair kits of BESCO are design to be fitted on calipers made by KNR, MRT, WBC, HDX, B, SF MODUL T, HYDRAULIC CALIPER, IVECO and Z-CAM. The two founders Mr. Sebahattin Koç and Mr. Beytullah Göksu decided to gather all their technical know-how and experience to lead the brake caliper business in Turkey, and so BESCO grew rapidly and became an exporter of improved products to 55 countries in the world. The calipers that can be repaired with BESCO's repair kits are found on trucks, buses and trailers

Responsables d'entreprise.

Beytullah Göksu
Président du Conseil d'Admin...
